

Fiddlers Lane Community Primary School

Autumn One in Reception

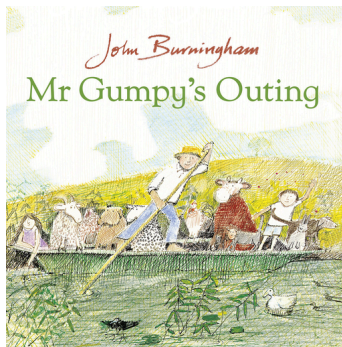

English

This term, our literacy focus will be based around the text:

'Mr Gumpy's Outing'

We will be focusing on retelling the story and creating our own journey stories.

We will use our phonics to knowledge to spell words.

We are reading...

Maths

We will be learning:

- Find, subitise and represent numbers to 3.
- Explore 1 more and 1 less.
- Learn about the composition of 1, 2 and 3.
- Compare objects by size, length, weight and capacity.
- Talk about and identify simple patterns around us.

Phonics

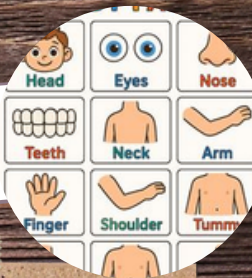

This term our Phonics focus will be on developing early reading and letter-sound knowledge.

- Use fingers to count the sounds in words.
- Learn that print has meaning.
- Begin to recognise letters and say the sounds they make.
- Recognise familiar names, including their own name and the names of family and friends.

UOW- Science Links

This term our focus will be on learning about our bodies and the world around us.

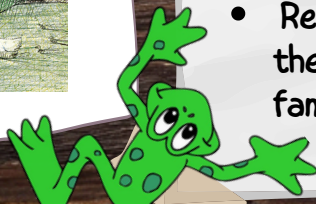

- Name the five senses and the body parts we use for each one.
- Explore how we use our senses every day.
- Learn about different habitats and the animals that live in them.
- Find out how habitats provide animals with what they need to survive.

UOW- Art Links

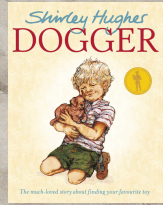

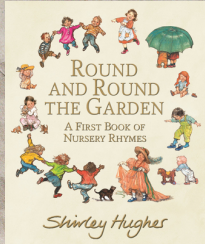

This term we will be developing our creativity and early drawing skills. Children will:

- Explore a variety of art materials and tools.
- Make marks using pencils, crayons, paint and brushes.
- Begin to draw pictures that represent people and objects.
- Practise drawing around shapes and outlines.
- Talk about their artwork and the marks they have made.

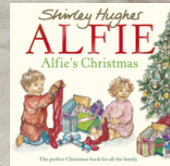

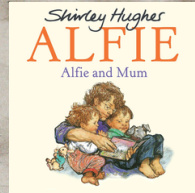

Author of the term

Our Author this term is:

Shirley Hughes

PSHE

This term we will be learning about our feelings and building confidence in Nursery. Children will:

- Talk about how they are feeling.
- Use words such as happy, sad and worried.
- Learn to ask adults for help when needed.
- Build trusting relationships with adults.
- Develop confidence and independence in Nursery.

Music

We will be learning lots of new songs.

- Big Red Combine Harvester
- I hear thunder

As well as exploring musical instruments.

RE

We will be on learning about ourselves and others.

- Explore what makes us special and unique.
- Learn that people have different beliefs and that this is a good thing.
- Talk about things that are important to us and our families.
- Learn about belonging to different groups and communities.
- Understand why being part of a community is important to many people.

Physical Development

Our PE day is: Monday & Friday

Autumn Term Events

- Parent phonics workshop
- Star Work Spotlight
- Visit to the local library

UOW- DT Links

We will be learning about animals that hibernate and developing our creative skills. Children will:

- Roll, squash and shape dough or clay to create a hedgehog.
- Explore different materials and textures.
- Build and create a cosy hibernation home for an animal.
- Use their imagination to design and make models.
- Talk about why animals hibernate and how they stay safe during winter.
